

Rejoin quick start

Your words, in your voice. Here is how to begin.

1 Download and open Rejoin

Get it free from the App Store, then create a free account. New or returning, it is the same buttons.

2 Say your first words

On the Speak tab, type in the box and tap the gold Speak button. Rejoin says it aloud.

3 Save your go-to phrases

On the Sayings tab, add big tiles for the things you say often. One tap speaks them.

4 Make it sound like you

In Me, then Voice and speech, choose a voice, or a Personal Voice recorded in the iPhone Settings.

5 Have a code from a clinician?

Open Me, tap Connect with your clinician, and enter the code to start a free trial of Rejoin+.
